RWS/Diana Airguns for  
Accuracy, Power, Reliability

## RWS/Diana Precision Airguns -- Extra Value: Quality, Accuracy, Power, Durability, Price

Made in Germany. For over a century RWS airguns have been noted for their quality and performance. They have been designed to provide years of trouble-free service and a high degree of accuracy. Each is protected by the famous RWS Lifetime Warranty.

RWS offers a variety of precision airguns to satisfy the needs of all shooters from the long time experienced shooter who demands the very best to the novice youth or adult. Be sure all shooters are given all instruction

books & are familiar with basic operating procedures before cocking and loading any airgun. RWS Models 350, 40, 34, Panther are barrel cocking. Models 54, 52, and 48 are side lever. Model 460 is underlever

Each is equipped with a scope rail for easy scope mounting. Iron sights are adjustable for windage and elevation. All RWS/Diana airguns are protected against defects in workmanship and materials by a Limited Lifetime Warranty.

## RWS/Diana Magnum Air Rifles

- German Made - .177 @1000 ft/sec , .22 @ 800 ft/sec -- Barrel Cocking
