

RWS/Diana Super-Magnum Air Rifles

German Made - .177 from 1100 to 1200 ft/sec., .22 from 900 to 1000 ft/sec spring-piston rifles

Magnum air rifles are those shooting at over 900-1000 ft/sec in .177 caliber. Super-Magnum airguns can nearly double the power at 1100-1250 ft/sec. They are just the ticket for those who desire more power. These are serious airguns for long range hunting and plinking and for those needing extra power for particular hunting situations. RWS is a solid choice for the airgunner who is looking for the RWS/Diana German made quality and performance in an economical Adult Precision Airgun. All are protected by the famous RWS Limited Lifetime Warranty.

Combo packages include the air rifle, an airgun scope and mount. All rifles on this page are single-stroke cocking spring piston airguns. The Model 350 and variations are barrel cocking. The Models 48 and 52 are sidelever cocking. Model 350 Feuerkraft Pro and Pro Compact are matte blue metal finished; other models are polished blue metal finish

RWS/Diana M-350 Ultra-Magnum Air Rifle

.177 Cal @ 1250 ft/sec .22 Cal @ 1,000 ft/sec
- Barrel-cocking -

The RWS/Diana M-350 is one of the most powerful air rifles on the market today. In fact, it has become the new standard by which all others are compared -- it's that good. Single-stroke, barrel cocking produces exceptional velocity and accuracy. Available in two calibers and several variations, the Model 350 adds a new dimension to airgunning. In .177 caliber the rifle is rated at 1250 ft/sec with

lead pellets while the .22 version is rated at an equally impressive 1000 ft/sec. All variations have a scope rail for easy scope installation, automatic safety and the adjustable RWS 2-stage trigger. The 350 Deluxe has a deluxe Monte-Carlo checkered stock deeply contoured cheek-piece for right handed shooters but is also comfortable for lefties. All others have a neutral stock for right or left handed shooters and are smoothly styled without checking.

RWS/Diana M-350M (Deluxe)

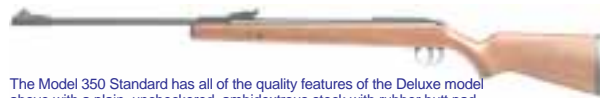

stylish contoured cheek-piece, checkering and styling

Adjustable trigger, automatic safety, fully adjustable metal rearsight, deluxe hooded front sight, rail for scope mounts. Deluxe style chequered stock with deep contour cheek piece and ventilated rubber buttplate. Barrel cocking. Velocity: .177-1,250 fps., .22-1,000 fps Weight: 8.5 lb. Length 48". Barrel: Precision Rifled, 19.5". Polished blue metalwork.

RWS/Diana M-350M Feuerkraft Pro Compact

The Model 350 Pro Compact has all of the quality features of the Feuerkraft model with a contoured Muzzlebrake attached to a shorter, carbine-length barrel. Topped with an RWS 3-9x airgun scope with mounts. No iron sights. Barrel cocking. Velocity: .177-1,250 fps., .22-1,000 fps Weight: 8 lb. Length 44.6". Barrel: Precision Rifled, 15.8". Matte blue finish metalwork.

RWS/Diana M-350M Feuerkraft Standard

The Model 350 Standard has all of the quality features of the Deluxe model above with a plain, uncheckered, ambidextrous stock with rubber butt pad. Fully adjustable fiber-optic sights and rail for scope mounts. Barrel cocking. Velocity: .177-1,250 fps., .22-1,000 fps Weight: 8 lb. Length 48.4". Barrel: Precision Rifled, 19.6". Polished blue finish metalwork.
