### Beeman P-1 Magnum —power - versatility - quality

#### Beeman P-1 Magnum

An Extremely Powerful Adult Air Pistol! And its extremely accurate. The unique dual power setting on the .177 and .20 calibers gives a choice of standard or extra-high velocity for target or field use. Ambidextrous grip and safety. Grip size is the same as the Colt 45 Auto. With adjustable trigger & sights. The P-1 is grooved for scope. Available in .177, .20 (5mm)

Germany

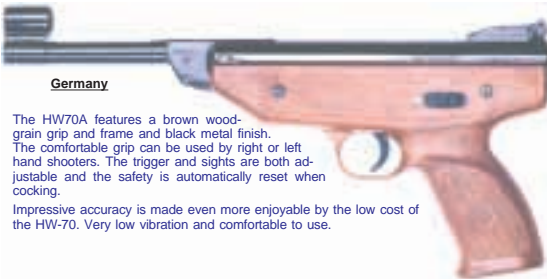

#### The P-1 has it all

- Wonderfully Accurate
- Pleasant to Shoot
- Reliable, Rugged, Durable
- Perfect Firearms Simulator
- Power for Long Range
- Ideal for Scope Use

Highly recommended:  
Optional scope, mounts, scope stop, and checkered combat wrap-around grips.

### Beeman HW-70A Air Pistol

Germany

The HW70A features a brown wood-grain grip and frame and black metal finish. The comfortable grip can be used by right or left hand shooters. The trigger and sights are both adjustable and the safety is automatically reset when cocking.

Impressive accuracy is made even more enjoyable by the low cost of the HW-70. Very low vibration and comfortable to use.

### Beeman P-3 Pneumatic

Germany

This addition to the Beeman line is a German made recoilless, single-stroke pneumatic. The economical P-3 has a lot going for it. Excellent accuracy rating. Smooth shooting, crisp wide blade trigger, automatic safety, comfortable Ambidextrous grips. Adjustable rear sight, ramp front. Trigger guard with finger hook. Grooved for easy scope mounting. .177 cal., 1.7 lb.,

compact 9.6" long, 410 ft/sec. Low noise level, easy cocking, no recoil, and much more.

Near target accuracy in a sporting pistol means a lot success and that means a lot more FUN!

Here's what your P-3 would look like decked out with optional Beeman 2x Pistol Scope (BEE2024) and 2-piece mount (BEE5030M). A great accuracy combo for target, plinking or pest control.
