Browning 800 Magnum

BRN22240
Browning 800 Magnum .177
\$148.84

The Browning 800 Mag break barrel air pistol has an anti-recoil power system ensuring your ability to make accurate shot after accurate shot. It's a magnum velocity air pistol that uses a single-shot break barrel system so punching holes and taking care of close quarter pest with lead free pellets comes with ease. The 800 Browning has fiber optic sights and is comfortable to hold due to its ergonomic ambidextrous grip. It has an automatic safety, rifled barrel and grooved receiver for mounting a scope or red dot sight..

- Anit-Recoil Power System
- High velocity air pistol
- Ambidextrous design
- Ergonomic pistol grip
- Single-shot break barrel pistol
- Cocking assist handle included
- Adjustable fiber optic rear sight
- Muzzle break
- Automatic safety
- Blued finish
- 11 mm scope rail

You'll get the power and simple elegance of the Quest 1000 with a 4x32 scope when you purchase this rifle.

Now .177 and .22 Cal.

Crosman QUEST Combo
NOW AVAILABLE IN .177 and .22 Caliber

You'll get the power and simple elegance of the Crosman QUEST 1000 with a 4x32 scope when you purchase this break barrel rifle. Also with a micro-adjustable, fiber-optic front/rear iron sight system. Walnut finished hardwood stock with rubber butt pad. An economical airgun with lots of class.

If power is what you want in an air rifle, look no further than the Quest. Light cocking effort gets velocity up to 1000 fps in .177 and .22 caliber rated to 800 ft/sec., and a scope stop means less recoil movement. Plus, there's no need to re-sight after each shot. And with a two-stage, adjustable trigger, you can customize this quality, affordable gun to suit your every need.
