Benjamin Sheridan Crosman Airguns

For generations Crosman, Benjamin and Sheridan have been producing durable and reliable American made air rifles and pistols. These three companies have combined to continue that tradition. Benjamin, Sheridan and Crosman airguns are designed to give years of service at an economical price.

We also carry the famous Crosman Premier Pellets in .177, .20 and .22 calibers. The Crosman Premier is the pellet of choice for Silhouette and Field Target. Page 13

Crosman 1077 - 12-Shot Semi-Auto

The only truly reliable semi-automatic air rifle on the market fires 12 shots as fast as you can pull the trigger. Now in a durable, grey, checkered synthetic stock. Weight 3¾ lb.;

Magazine Clipholder for 1077: extra magazine clipholder for 1077 1077T models (CRS0414X) Use with CRS04130 12-shot clips

Williams Receiver (Peep) Sight

for Sheridan and Benjamin air rifles. This rugged sight is easy to install on the pre-tapped receiver of many current and recent current models. (BEN064)

Note: The BEN064 Receiver Sight fits airguns with two tapped holes in the flat area on the right side of the receiver just ahead of the bolt handle.

BEN272

Scope Bases

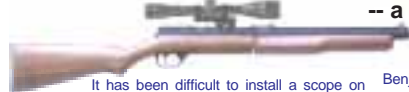

or intermount for Benjamin and Sheridan air rifles and pistols. Clamp to the barrel. Creating a standard dovetail to allow the use of standard airgun or tip-off rings.

(BEN272) Four Piece Intermount base for all Benjamin and Sheridan Air Rifles and Air Pistols.

CRS459MT base for Crosman 1760 & 2260, 1377 (Similar, Not shown)

Mounts for Benjamin and Sheridan Rifles

-- a new solution --

It has been difficult to install a scope on the Benjamin and Sheridan multi-pump pneumatic and CO₂ air rifles like the Sheridan Silver Streak and Blue Streak or the

Benjamin 340 and 390 series because the BEN272 4-PC Base attaches on the barrel which moves the scope forward and usually re-

FSI6440

quires a long eye relief (pistol) scope. Now you can put the scope where it belongs. SEE PAGE 20
