please note - SIMPLIFIED SHIPPING RATE CHARTS - please note

Shipping Weight includes necessary packaging for safe delivery and will vary with the combination of items ordered. It is in your best interest to use premium (3-Day and Air) services with caution to avoid unnecessary expense.

It is impossible to list the ship weight for all combinations, but will do our best to **estimate** shipping weight/charges when asked. Some combinations may require extra packages; Example: several tins of pellets with a rifle or delicate item, or items of vastly different shape.

We do our best to minimize cost and assure safe delivery. You may also order on-line using our secure server at
http://www.AirgunsUSA.com

You can get EXACT charges on our website at www.airgunsusa.com Select the merchandise, click on 'Checkout" and scroll to the bottom of the screen.

Please allow sufficient weight - estimate high - excess will be credited or refunded.

Typical PACKAGED weights shown below.
