CROSMAN AIRSOFT GUNS

Crosman AirSoft Guns

New Crosman Soft Air air guns are loads of fun to shoot. Soft Air is the latest innovation in airgunning, for use whenever, wherever. Soft Air Guns, also called Airsoft Guns, are perfect for informal 'fun' target shooting or tactical gaming. From the Crosman Soft Air Handguns,

to the cool spring air repeater Crosman Stingers and battery powered electronic Pulses, there's a great Crosman Soft Air AirGun to please everyone. Crosman Airsoft Soft Air Guns propel lightweight 6mm plastic BB's at velocities from 175 to 400 fps. Get in on the fun now!

Crosman Stinger R36 with Cross Hair Sight & L.E.D. Flashlight:

A great FULL-SIZE RIFLE (28 inches with buttstock attached) modeled after assault rifles used by USN Seals. The Crosman Stinger R36 Soft Air Gun features a removable buttstock, crosshair sight for increased sighting accuracy, and a high-tech LED flashlight, which illuminates your target. Also comes with shoulder sling and 500 rounds of ammo. And thanks to the Hop-Up system, you'll enjoy increased accuracy and distance.
